October 2021

Dear Parishioners, we hope you are all well.

Covid 19 has made things difficult for us all. The Parish is able to help with basic household needs if there is some distress. Feel free to contact us and we will endeavour to help you.

We continue to do Services and you can follow these on St Stylianos Gynea Youtube. However, from the **11th of October the Churches are due to open** up with the 4sq metre rule. We so look forward to this. Please also note that the Parish has started an initiative to help young adults have fellowship at their very own "Orthodox Cafe". Till Lockdown ends anyone can follow this discussion online at 1130am - 1230pm on Sundays. We will be back to face to face soon! The program for October is below.

We pray God helps all those who are ill or in need, and the medical staff & others who support them.

May God bless you all with His great love for us and we pray you all be brave in the face of adversity.

Fr Constantine Varipatis
